adb shell pm disable-user --user 0  
com.package.name
```

App disable hoti hai bina root ke.

25. App Enable Karna

```
adb shell pm enable com.package.name
```

Disable app wapas enable hoti hai.

26. Disabled Apps List

```
adb shell pm list packages -d
```

Disabled packages show karta hai.

27. Package Search

```
adb shell pm list packages | grep samsung
```

Keyword se app search karta hai.

Display Commands

28. DPI Change

```
adb shell wm density 420
```

DPI change karta hai.

Reset:

```
adb shell wm density reset
```

29. Resolution Change

```
adb shell wm size 1080x1920
```

Reset:

```
adb shell wm size reset
```

30. Font Size Change

```
adb shell settings put system font_scale 1.0
```

31. Screenshot PC Par Lena

```
adb exec-out screencap -p > screen.png
```

32. Screen Record

```
adb shell screenrecord /sdcard/record.mp4
```

Backup & File Commands

33. Phone Se PC File Lena

```
adb pull /sdcard/file.txt
```

34. PC Se Phone File Bhejna

```
adb push file.apk /sdcard/
```

35. APK Install

```
adb install -r app.apk
```

-r data save rakhta hai.

36. APK Backup

APK path find:

```
adb shell pm path com.package.name
```

APK copy:

```
adb pull /data/app/.../base.apk
```

Battery Commands

37. Battery Usage Check

```
adb shell dumpsys batterystats
```

38. Battery Saver On

```
adb shell settings put global low_power 1
```

Off:

```
adb shell settings put global low_power 0
```

39. Battery Temperature

adb shell dumpsys battery | grep temperature
```

Developer Commands

40. App Activity Start Karna

```
adb shell am start -n  
com.package.name/.MainActivity
```

41. URL Open Karna

```
adb shell am start -a  
android.intent.action.VIEW -d  
"https://example.com"
```

42. Screen Tap Simulate Karna

```
adb shell input tap 540 960
```

43. Text Type Karna

```
adb shell input text "Hello%sWorld"
```

44. Button Press Simulate Karna

`adb shell input keyevent KEYCODE_HOME`

Examples:

- HOME
- BACK
- POWER
- VOLUME_UP

Pro Tip:

"Har ADB session ki starting adb devices se karo — device detect na ho to koi bhi command kaam nahi karegi."
